

MOBILE SERVICE & LIABILITY WAIVER
Concierge Specimen Collection Agreement

Environment & Safety Requirements

To ensure a safe and successful clinical procedure, the patient agrees to provide:

- A clean, well-lit, and smoke-free environment for the procedure.
- A seated or reclining area as requested by the phlebotomist to prevent injury from syncope (fainting).
- **Pet Policy:** All pets must be secured in a separate room prior to the phlebotomist's arrival.

Liability Release

By signing below, the patient acknowledges and agrees to the following:

- **Property Damage:** The provider is not liable for incidental damage to personal property while entering or exiting the premises, except in cases of gross negligence.
- **Procedural Risks:** Venipuncture carries inherent risks including bruising, hematoma, or nerve irritation.
- **Syncope:** The patient must inform the provider if they have a history of fainting. The provider is not liable for injuries resulting from a fall if the patient fails to follow positioning instructions.
